

### DOI Work Activity 37: Plan for Public Health/Safety and Property Protection

<b>Program Area:</b>	Protect Communities
<b>End Outcome Goal:</b>	SEO 1 – Improve Protection of Lives, Resources and Property
<b>Intermediate Outcome:</b>	SIO.1.2 - Improve Public Safety and Security and Protect Public Resources from Damage
<b>DOI Sub process:</b>	2a - Plan

#### Examples/Notes:

**Work Activity Description:** This work activity includes activity plans (implementation plans) that meet the goal of reducing threats to public health, safety and property. These activity plans refine the broad program objectives stated in the land use plan (RMP or MFP), outline an implementation strategy for decisions made in the land use plan, and apply best management practices to meet land use objectives. This work activity applies to activity planning in the Hazardous Material, Abandoned Mine Land, Law Enforcement, and Fire programs. Examples include: Fire Management Activity Plans, Fire Mitigation Plans, Hazardous Waste Management Plans, etc. This work activity does not include costs for preparing hazardous fuels reduction plans fire rehabilitation plans.

This work activity includes all costs associated with the preparation of these activity plans: Staff time for preparation, collaboration (outreach, meetings, public meetings, etc.) with other entities and the public, consultation with tribes, NEPA analysis (including T&E consultation and review), coordination and cross-walking with other existing implementation plans, third party contracting, etc. It also includes costs associated with document preparation such as printing, collating, and distribution; training associated with preparing staff to complete these plans; research and data searches; and GIS associated activities.

This work activity includes the costs of preparing mitigation plans and/or participation in the development of wildland urban interface community fire management plans. Costs may include public meetings, collaboration, technical assistance, preparing contracts/agreements, preparing plans, and assisting in the development of implementation strategies.

If a land use plan amendment is required prior to approval of an activity plan, and the land use plan amendment and the activity plan are being prepared concurrently, the cost of the concurrent effort through the approval stage of the plan amendment should be charged to the land use plan amendment work activities. Following approval of the land use plan amendment, costs of finalizing the activity plan should be coded to this work activity. A unit of accomplishment should be reported for the plan amendment when it is approved, and an additional unit of accomplishment should be reported for the activity plan when it is approved.

<b>Output:</b> New or revised activity plan	<p><b>Unit of Measure:</b> Number(s) of new or revised activity plans completed during the fiscal year.</p> <p>Report new or revised activity plans when the decision document for the plan is signed. Revisions include a modification of a significant portion of the decisions in the activity plan. Do not report minor amendments or changes in these plans, even though these costs may be</p>
